

State Income Tax Withholding Election Notice for Qualified Pension and Annuity Payments

Instructions: Find your state of residence and complete the form as directed. If you do not return this form, your state's default election must be applied, which may or may not result in an amount withheld. If you make an election, you must sign and complete the Personal Information section.

District of Columbia residents: For lump sum payments (a distribution of your entire account balance), withholding is required from the taxable amount at the highest tax rate, currently 8.95%. For other payments, you may elect to have state tax withheld.
